IN THE DOGHOUSE, EVERY WEEK!

**Nuts EXCLUSIVE!**

## On set with Mitchell and Webb!

*Nuts* goes behind the scenes of their chucklesome sketch show!

**W**e've been chums with David Mitchell and Robert Webb ever since we grilled them about the first series of *That Mitchell And Webb Look* in 2006.

Well, it's back for a fourth series, so the boys invited us to the studios to watch them film it.

*That Mitchell And Webb Look*: Series 4 starts in July on BBC2

**WITH THE BOYS!**

### OLD FACES, NEW JOB!

"Remember the snooker commentators?" asks Robert. "Well, their careers are foundering and they've ended up hosting late-night dog poker on Dave. "I like to think of it as biting satire on the problems snooker's having," adds David.

**DOG POKER!**

### THE STUDIOS!

The show is filmed at Pinewood Studios, famous for making the James Bond films. "It's so big!" says Robert. "I got a tweet from them yesterday," adds David. "It said, 'Glad to have you back.' Does Daniel Craig get that, I wonder?"

### SPECIAL GUESTS!

"Keeley Hawes from *Ashes To Ashes* [above] turns up in one sketch," reveals Robert. "She plays my dream wife!" says David. "And Vanessa Feltz is in a sketch, too," continues Robert. "In a documentary about making a documentary."

### GETTING INTO CHARACTER!

"There's a lot of changing and getting your head around the various characters," says David. "Yeah," adds Robert. "There are days when you think, 'Not another wig! I wish we were doing *Peep Show* – I could just put on a T-shirt and turn up.'"

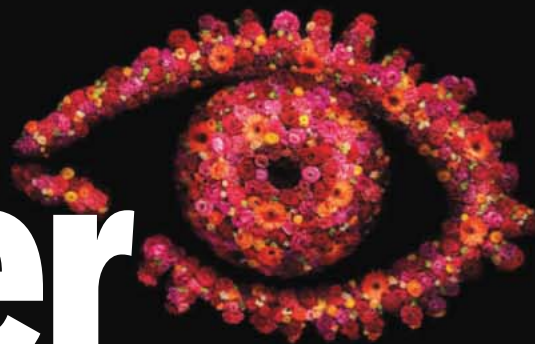

### CANINE EXTRAS!

"For the dog poker, they've actually got to film some dogs playing poker," says Robert. "I put a spanner in the works by saying, 'You're not filming it like they film poker on TV!'" laughs David. "It looked like the dogs were playing whist!"

#### COOL RACE TRACKS

The free-roaming race tracks are full of shortcuts, split roads and secret hiding places for epic car chases. There's no set direction to travel, so the best way to lose your tail is to pull a sharp handbrake turn and flip the course on its head!

"Are you sure this is the way to Wetherspoon's?"

#### RACE OR CHASE

You can play as a racer, a cop or a bit of both. If you're a racer, you need to get enough distance between you and the fuzz to get your "cool down" counter down to zero. If you're the law, you bust the racer by ramming the hell out of him!

**Nuts EXCLUSIVE!**

# Need For Speed: Hot Pursuit **first look!**

We take the storming new racer for a world-exclusive spin!

#### ICE-COOL CARS

You can drive loads of amazing cars. EA is tight-lipped about numbers but there's a Lambo Murciélago, a Ford GTO, a Lambo Reventón cop car, a Koenigsegg CCX, a Pagani Zonda – and there are even rumours of a Bugatti Veyron.

"You know what? You're really driving me round the bend!"

## WICKED WEAPONS

The cops have some pretty cool equipment on their side. Stay close enough to the racer and you'll raise your "heat bar" enough to set up a roadblock, drop a spike strip, reverse his driving controls or even call for helicopter support!

"Maybe we should have the barbecue outside the vehicle next time!"

**F**ancy a car chase in a shiny Lambo? Well, you're in luck because EA's new tyre-screacher, *Need For Speed: Hot Pursuit*, lets you do just that.

You can choose to be either a racer doing a runner in a supercar, or a chasing copper in an equally tricked-out monster. It's a great idea for a car game, so when we were invited for a first look, we didn't hang about!

*Need For Speed: Hot Pursuit* is out on Xbox360/PS3 later this year

## CAT AND MOUSE

The racer's array of weaponry is all about sneakiness. Use a cloak to make you temporarily invisible, a radar jammer to blur the rozzers' map, a decoy car to throw them off the scent, or a speed boost that blurs the screen, *Star Trek*-style!

"Last one to the finishing line is a sissy!"

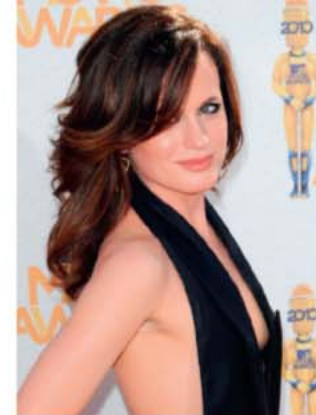

## MULTIPLAYER MAYHEM

The single-player mode sees you collecting bounty money as either a tough cop or a tricky racer. But there's also an ultra-competitive multiplayer mode for up to eight players online, where you can pit one terrified racer against seven police cars!

"Can't stop! My missus has just phoned to say she's got my credit card!"

"Well, you said I could treat myself if Norwich got promoted!"

- This is the latest BMW Art Car, with graphics designed by US artist Jeff Koons.
- The BMW M3 GT2 is the 17th BMW Art Car, a project that started in 1975 when French racing driver and auctioneer Hervé Poulain invited an artist

- to create a canvas on a car.
- According to Koons, the design is "evocative of power, motion and bursting energy".
- And the M3 GT2 has energy, alright – this stripped-down, racing version of the M3 GTS road car is powered by a 4.0-

litre V8 engine that produces a pretty hefty 500bhp.

- It can sprint from 0-60mph in under 3.2 seconds, while top speed is around 200mph!
- This awesome performance is largely down to the fact that carbon-reinforced plastic (CRP)

has been used to replace the original bodywork, delivering substantial weight reductions.

- Lightweight magnesium wheels are also fitted.
- This car has just taken part in the 24 Hours of Le Mans sports-car race in France.

- It was given the number 79 in tribute to the 1979 BMW Art Car, which was painted by artist Andy Warhol.
- Want to get your hands on this work of art? Forget it – the car isn't for sale at any price and is destined to become a museum exhibit later this year.
- However, you can snap up a BMW M3 GT2 race car. But you'll need roughly £350,000 in your bank account!

**190MPH BEAST!**

## Meet the road car – the BMW M3 GTS!

- This is the BMW M3 GTS – the road version of the M3 GT2 Art Car.
- Costing around £100,000, it's the most expensive BMW M3 road car ever built!
- The 4.4-litre V8 engine produces around 450bhp.
- Removing the air-con, radio, satnav and back seats has made the car nice and light.
- This gives it a 0-60mph time of 4.4 seconds. Add an incredible 190mph top speed and Porsche should be losing sleep.
- Using the GT2's suspension technology, the subframe is adjustable, allowing you to lower the GTS by 16mm at the front and 12mm at the back.
- The BMW M3 GTS will be available in any colour – as long as it's orange!

# Lucky World Cup boobs!

**ALEX 19, Surrey**

"I hope the real Rosie isn't in South Africa – she'd probably distract the England lads!"

**INDIA 18, Surrey**

"England have a real chance of winning now, thanks to Rosie's support – nice work, Nuts!"

## It's England's secret weapon – Rosie's breasts!

**W**ith the World Cup in full swing and most of the favourite nations looking to be in fearsome form, we decided that England needed a little more help to get to the final – beyond sticking big Emile on the first plane home, that is.

Now, everyone knows boobs have magic powers, and the most magical of them all belong to Rosie Jones! So we found the boobiest pic of Rosie we could and took it out on the streets for some good-luck rubbing. And if our boob-fondling plan doesn't help England to glory, remember – it's the taking part that counts!

**BILLY 18, London**

"If the real Rosie was here, I'd have trouble concentrating on the match! Come on, England!"

**BURF 42, London**

"It's pretty difficult rubbing Rosie's boobs in boxing gloves – but I'll certainly do my best!"

**ALEX 38, Surrey**

"This is better than getting my hands on the World Cup itself! Come on, Fab and the boys!"

**WORLD CUP 2010!**

# Peter Crouch

The big frontman, straight from the training ground

**H**i Crouchy! Now the game against the Yanks is out of the way, please tell us England are

**going to win the World Cup!**

I wouldn't say we're favourites – Spain are, because they're the best side in the world – but look at our qualification. We were awesome! We've got a brilliant manager and a real winning mentality and buzz around the camp. We can maybe do something this year.

**So that's a yes?** I didn't go that far. Ha-ha! Previously, we've talked and talked before the tournament and it's not quite come off. This time, we'd rather just shut up and let our football do the talking for us.

**You have to wear blazers now, and mobiles are banned.**

**Fabio's a strict old boy, isn't he?** There were rules in place before but they're obviously enforced a lot more now under the new manager. He expects everyone, whether you've got 100 caps or you're getting your first, to behave the right way.

**What's it like when you're not training or playing at these big tournaments?** It can get extremely boring! But we have to lock ourselves away and just concentrate on the games.

There's a massive, massive carrot at the end of it – winning the World Cup. If it takes four weeks of boredom, fine. **Do you get time to stick your console on during the down time?**

Yeah, I'm playing a lot of *Fifa* and *Call Of Duty* right now.

**Which side is your weapon of choice when you take people on playing *Fifa*?** Usually

Barcelona. For me, they're the best club side on the planet – although maybe not when I've got the controller in my hands!

**Who are the jokers in the England dressing room?** All the lads get on really well but I'd say Wayne Rooney is the joker.

**Does anyone do a Fabio impression?** No, I don't think anyone would dare do that!

**Not even a quick sneaky one behind his back?** No chance!

It wouldn't be worth it!

**Who's more aggressive in the dressing room – Fabio or Harry?** Both of them are quite scary sometimes. Neither are shy about giving out a rollocking – trust me on that!

**"We'd rather let our football do the talking!"**

If we've played badly, Harry, in particular, is not averse to telling us he's unhappy.

**Do you ever regret doing your robot celebration?** No, I don't regret it at all – it was just a bit of fun. I said I'd do it if I scored and when I did, it just escalated!

**So will we see it again?** I'm sure it'll come out again. The only problem is I'm not sure how it goes down with the manager, so I've laid it to rest!

**But if you scored in the World Cup final, we don't think he'd mind!** True! That'd be a dream come true, but I'm not getting too ahead of myself. As a team, we've said we don't want to shout and scream before the tournament, we'd rather go out and prove we're a good side. It's up to us to do the business now!

**SPACE SHUTTLE!**

# "We have lift off!"

## Shuttle leaves F-15 in its wake!

**N**o, this isn't the latest errant shot from Emile Heskey. It is, in fact, the Atlantis Space Shuttle blasting into space at a whopping 1,000 miles per hour!

It's not often you see an F-15E Strike Eagle (pictured in the foreground) look like a slovenly slowcoach, but that's just what happened as Atlantis completed

its final ascent at nearly two-and-half times the speed of sound!

This shot was taken by pilots above the Kennedy Space Centre as they captured the shuttle's last journey to the International Space Station. Upon its return, Atlantis will be retired, along with the rest of the fleet.

Pity we can't say the same thing about Heskey!

## Spaced out

- The Atlantis space shuttle has clocked up 32 missions and 195 million miles in 25 years of service.
- It's launched probes from orbit and been to Russia's Mir space station more than any other shuttle.
- Two more shuttle flights remain – Discovery launches in September, and Endeavour will make the final flight in December.
- With over 2.5 million parts, the space shuttle has been called the most complex machine ever created by man.

# Meet the new Megan Fox!

Model Rosie Huntington-Whiteley is set to star in *Transformers 3*!

**H**ats off to director Michael Bay, because when it comes to casting pant-spinningly sexy leading ladies in movies, he's the king!

Thanks to Bay, we've seen the super slo-mo delights of Megan Fox in *Transformers 1* and *2*, and now Rosie Huntington-Whiteley has signed up for number three!

With Fox walking away from the franchise, 23-year-old Brit beauty Rosie – who starred in last year's hot Agent Provocateur ad – will provide the eye candy when the film drops in 2011.

Note to Rosie – Ms Fox dressed as a sexy cheerleader and locked lips with another sexy lady in her latest film. We're just saying!

**SHE'S A STUNNER!**

## Rosie's vital stats

- Rosie Huntington-Whiteley was born in Plymouth, Devon.
- She was voted "most likely to become a supermodel" in her school yearbook.
- She made her modelling debut in 2004.
- She's modelled for Abercrombie & Fitch, Ralph Lauren and Victoria's Secret, among others.
- Director Michael Bay previously worked with her on a Victoria's Secret commercial.
- She says, "Licking your lips is a turn-on, as is arching your back. I can do sexy!" We say, "Bring on Transformers 3!"

## The iPhone evolves!

Just when we thought it couldn't get any sexier...

### Apple iPhone 4

[www.o2.co.uk](http://www.o2.co.uk)

**Nuts says:** The world's most desirable phone is now even better! The iPhone 4 is built of sturdier materials and has a sexy new look, a faster chip, two cameras, an upgraded operating system and longer battery life. It's like you've upgraded your missus to Megan Fox. And it's out next Friday!

### TWO CAMERAS

With cameras front and back, you can send and receive video calls (only via Wi-Fi and only iPhone 4 to iPhone 4), and flip the cameras to show either your face or the outside world. The 5.0-megapixel cameras come with LED flash and also shoot high-def movies, which you can send to your mates.

### SCREEN

The 960 x 640 backlit LCD display has a pixel density of 326 pixels per inch – more than any other currently available phone and most computer screens. Blimey!

### MULTI-TASKING

The new operating system adds multi-tasking, so you can have multiple apps running at the same time. Plus it has the same speedy chip as the iPad, so it'll blast through apps and games.

### MICROPHONES

There are now two mics – one for your phone calls and another to add active noise reduction to suppress background sound, so your calls should be even clearer than they were before.

### BODYWORK

The stainless-steel frame acts as an antenna, while the glass front and back (made from helicopter windscreen-grade glass) aid reception. And it's impossibly thin at 9.3mm!

### Double trouble

An old man goes to the doctor's for a check-up. The doctor runs the tests, shakes his head, then sits the old man down.

"I'm very sorry," he says. "I've got a couple of bits of bad news. First, I'm afraid you have cancer."

The old man is shocked and a tear wells up in his eye. The doctor waits for a minute for the news to

sink in and then carries on. "You're also showing early stages of Alzheimer's disease. I'm really, really sorry about this."

The old man sits in silence for a little while longer, head hung down. Finally, he looks up and puts a smile on his face.

"I suppose it could be worse," he says. "I could have cancer."

### Going to the dogs

An Aussie is suffering from terrible back pain, so he pays a visit to his local chiropractor.

"I think it's because I've been having lots of sex doggy-style," he says.

"Why don't you try doing it a different way?" asks the chiropractor.

"I have," replies the dim Aussie. "But the dog just keeps licking my face!"

## It's a hole lot of fun

A Catholic, a Baptist and a Mormon are bragging about the size of their respective families.

"I've four boys and my wife's expecting another," says the Catholic. "One more son and I'll have my own basketball team!"

"That's nothing," says the Baptist. "I have ten boys now and my wife is pregnant with another child. One more son and I'll have a football team!"

"You both should be ashamed of yourselves!" says the Mormon, rather smugly. "I have 17 wives. One more and I'll have my very own golf course!"

*Jonny Hanlon, via email*

"OK, who put the golf course in the hot wash?"

## Men's talk

Two blokes are in a pub discussing their wives.

"My wife's been told that she's got to lose loads of weight," says one.

"Yeah," says the other, "it was me who told her."

## Should I get it pierced?

I've wanted to get my wang pierced for years but have never had the courage. How do girls feel about pierced willies?

*Troy, London*

Oh my goodness! I've never come across one. I think I'd be scared of it! I like piercings but just not there – remember, you have to put it places where it might get stuck to something! Some girls would like it, though.

## Nuts BABES' SEX TIPS!

## Can she really?

I know a lass who claims she's able to go down on herself! Is that possible? And if you could do it, would you?

*Deano, Bury St Edmunds*

No, I wouldn't! I think the girl in question fancies you and is trying to get you interested. If she really can do it, she should go on *Britain's Got Talent*!

## Is it time to lose johnny?

I always carry a condom but the other day, I was on a date and the girl clocked it in my wallet. She had a go at me for assuming I was going to get laid. Should I stop carrying one around?

*Sean, York*

No, you should carry one all the time. It's a sensible thing to do – after all, you never know when you're going to get caught on the spur of the moment. She's mad to have a go at you for that!

## My girl has busy fingers!

My girlfriend plays with herself several times a day. I found it quite hot to start with but now I'm worried I'm not doing enough to satisfy her. Any thoughts?

*Pierre, Dorset*

Several times a day is taking it a bit far. I'd understand if she was doing it with her boyfriend – ie you – in front of her. It's a way of turning you on. But doing it just for the sake of it is selfish. And doing it that often is weird!

## The bearded funnyman on his new film, pulling Katy Perry and meditation!

**H**i Russell! In your new movie, *Get Him To The Greek*, you're a rock star who loves drugs and women. Weren't you just a little bit worried about the effect playing that part might have on you? No, I didn't think I'd relapse. It was quite interesting, actually – the props person who gave me pretend cocaine to take in one scene was himself 21 years clean. I went, "What's this?"

He said, "This is organic matter." That's something you read on a Nestlé label! I was like, "What's organic matter?" He went, "Oh, nothing." I said, "It just killed some kids." He was like, "What?" Yeah, so to answer your question, I'm in, like, a daily program of recovery and everything, so one day at a time I'm alright. Some people think the power of positive thinking is mumbo-jumbo, and perhaps they're correct. But apparently, if you just fill your head with positive stuff, it'll all be alright.

**Did you use positive thinking to chat Katy Perry up?** She chatted me up! She's a very confident person. I was taken aback, a bit swept off my feet, intimidated. And since then, that realm of intimidation has continued into what I now know to be the state of fear called a "relationship".

**Was that skimpy West Ham outfit she wore to host the MTV Europe Music Awards your idea?** Not at all! It was a complete surprise to me. I saw the awards and she was dressed in that claret and blue thing, and I thought, "Bloody hell, I've managed to make a thing from my childhood appear on the telly screen!" It made me feel like I was some kind of magician.

**Didn't it have your Twitter pseudonym, "Rusty", written on the bum as well?** When you say things like "rusty on the bum", you should be a little bit careful! People will get the wrong idea. On Twitter, I'm known as "Rusty Rockets" because I didn't realise what a phenomenon it would become, and now I'm stuck with a stupid name. So there you go – be careful what you call yourself!

## "Katy chatted me up! I was taken aback, intimidated"

**Do you reckon West Ham will wear it next season?** I suggest West Ham promote that to their first-team strip. I think they should wear sexy little West Ham basques and run out going, "Ooh, chase me!" I don't think it would affect results that badly.

**You have a reputation as a ladies' man, so what did Katy's parents make of you?** They're religious folk. They're born-again Christian Baptists and her father is, in fact, a preacher. But it went alright. I was just very polite to them.

**What have you got lined up for your career next?** I'm going back to LA to meet people for *Arthur*, the next film I'm doing. Then I don't know what'll happen to me!

**Are you into that healthy LA lifestyle now?** Yeah, except for all those gang wars and all the pollution that's based around superficial plasticity. But aside from that, very healthy.

**We went to one of your shows and people kept shouting, "Take your top off!" Is that annoying?** I like it. If it ever changes to "Hang yourself!" that would be a problem.

**What's this we hear about you not drinking milk?** I try to avoid anything that reminds me of school, and for that reason, I don't drink milk. Why would you? It comes out of a cow! It's a despicable idea. And if you put it in a Soda Stream, it turns to foam.

**Finally, you once said you want to "get to a stage where I'm celibate, vegan and all I do is make movies and do stand-up". What was that all about?** Ha! Yeah, I did say that. Why do I come out with things like that? But I do meditate – transcendental meditation, where you just sit still, say a mantra in your mind, then realise that all your objectives are meaningless constructs and that you're part of a consciousness that's bigger than everything, so you don't take life seriously any more. Or you take bits of life seriously, like love, but nothing else.

**Er, right. So does that mean your shagging days are over?** It turns out that was all lovely practice for something with a little more longevity.

Get Him To The Greek is in cinemas from 25 June

## EXPERT PICK-UP TIPS

Kezia Noble has been training men in the art of picking up women since 2006

## Meet Kezia Noble...

Kezia is a key figure in the "seduction community", having taught thousands of men via seminars, workshops (see below) and private tutorial sessions.

# 15 WAYS TO GET A ONE-NIGHT STAND...

**Kezia Noble,**  
the UK's leading  
female pick-up  
coach, gives us  
her top tips for  
"wooing" a lady!

**3 MAKE HER JEALOUS!**  
"If a woman starts to feel jealous, even after a couple of hours in your company, this is a good sign! If she considers you to be someone who never looks at another woman, her interest will eventually wear off."  
**DON'T:** Leer at women like a sleaze. Nobody wants that!  
**DO:** Make a remark about how attractive another woman is.

**4 DON'T RUSH IN!**  
"Never go up to a girl and offer a drink as an opening. Not only is every guy doing this, but it could also burn a hole in your wallet early on in the night. Women often say yes to a drink with zero intention to stay with you for more than five minutes."  
**DON'T:** Flash the cash early on.  
**DO:** Offer her a drink about ten minutes into your chat.

**5 DON'T BE TOO NICE!**  
"Us girls never go home with 'Mr Nice' because he's bland, replaceable, needy and dull. We want a man who's fun, cheeky, challenging and his own person. Nice guys don't finish last – they don't finish at all!"  
**DON'T:** Nod your head and laugh at everything she says.  
**DO:** Be cheeky and challenging, and be your own person. ➔

**1 CHALLENGE HER!**  
"Always let her know you have high standards. Women are attracted to men who they think will be a challenge. Us girls love men who aren't a pushover!"  
**DON'T:** Tell her how great she looks straightaway.  
**DO:** Give her a double-sided compliment, like "You look great, but if you wore sexy high heels, you'd look much better!"

**2 DON'T LOOK DESPERATE!**  
"A common mistake men often make is being too keen to keep the conversation going at all costs. Asking too many questions, one after the other, just sounds desperate!"  
**DON'T:** Ask her more than three questions in a row.  
**DO:** Test her interest by seeing if she asks questions about you.

## EXPERT PICK-UP TIPS

### 6 STAND OUT FROM THE CROWD!

"It's easy to get lost in a sea of men, so to make more impact physically, try to go against what the rest of the crowd are doing. It may feel odd at first but you'll soon see the results."

**DON'T:** Be a sheep and follow what everyone else is doing.

**DO:** Be more animated if the men around you are lounging around – and vice versa.

### 7 KEEP HER KEEN!

"Act as if you're the prize. Don't let a woman call the shots just because she's hot.

The idea is to make her feel you're the best thing in the room and she's lucky to have you."

**DON'T:** Come right out and say that you're brilliant. You need to act confident, not arrogant.

**DO:** Make her feel you're a guy she needs to work on to please.

### 8 FIGHT OFF THE COMPETITION!

"If you have a rival, don't get jealous because that hands the power to her. The best thing to do in this situation is the last thing she expects you to do."

**DON'T:** Show her you're upset by your competitor's attentions.

**DO:** Tell her the guy she likes seems like a "nice person" and a "sweetheart" – this turns us off!

### 9 USE PROPS!

"Have a camera filled with photos to show women what a fun and interesting life you lead. But think carefully about what you have on there – a picture tells a thousand words!"

**DON'T:** Show her pictures of you being drunk with the lads.

**DO:** Show her pics of a pet. It proves to her you have a life outside the nightclub.

### 10 BOOZING!

"Women often start off liking a guy, but by the time things are heating up, he's slurring his words and being obnoxious. This is because too many men use alcohol as a confidence booster."

**DON'T:** Get wasted!

**DO:** Monitor your drinking during the night, maybe have a soft drink every other round.

### 11 TALKING THE TALK!

"Women often want to experience that feeling of animalistic passion with a man they barely know, rather than something romantic or cosy. We reserve the lovey-dovey stuff for men we're settling down with."

**DON'T:** Promise her massages, scented baths and candlelight ahead of your love-making.

**DO:** Tell her what you plan to do to her. But be sexy, not scary!

### 12 LEAVE HER WANTING MORE!

"After you've got her interested, say you're going back to your friends for a bit and you'll see her later. She'll love the confidence and won't find another guy while you're gone."

**DON'T:** Linger in her space.

**DO:** Make excuses to leave for a while. It'll make your return later on so much more special!

### 13 BE A BIT CHEEKY!

"I always suggest role-play (not that kind!).

When your friends want to meet this girl, introduce her as your mother-in-law or your ex.

Women love that tongue-in-cheek approach to flirting."

**DON'T:** Go too far! You won't get far if your jokes offend.

**DO:** Make her feel this teasing is a special "thing" for you two.

### 14 BUILD SOME TRUST!

"Give her a nickname. These build familiarity between people very quickly, so why not use every tool at your disposal? This'll help her to get more comfortable with you and build up trust in you, too."

**DON'T:** Insult her with your choice of nickname!

**DO:** Be inventive. Just sticking a "Y" after her name won't do it!

### 15 EASE THE TENSION!

"If she's still nervous, try to lighten the mood with a couple of jokes."

**DON'T:** Say things like, "I won't try it on." Women hate a liar!

**DO:** Add a playful feel to what could be an intense moment. ■

# Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

## Deal or No Deal top tips!

**D**eal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one recent winner walked off with £1.4m!

And best of all? You can win big money in the comfort of your own home!

### HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

### THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

### DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

**He won big!**

Chris B won £456,168 on Deal or No Deal!\*

JESSICA-JANE CLEMENT PRESENTS...

# *Awesome in Undies!*

**Beautiful  
babes wearing  
very little. One  
word – perfect!**

**I**n case you haven't already guessed, we absolutely adore women here at *Nuts*.

Seriously, there's nothing we love more than celebrating the wonder of the female form in all its glory, and this time around, we wanted to do something that really highlighted just how wonderful our lady-folk actually are. So we locked our crack team of boffins in a secret bunker and asked them to come up with a plan to truly illustrate just how eye-poppingly awesome women are. Their answer? Stick them in some fancy lingerie. And good heavens, they weren't wrong! ➡

*"I really like kinky undies - I believe less is more!"*

*"How did the cue ball get up here?"*

**H**i JJC! This shoot is all about sexy lingerie – what's the sexiest piece of lingerie you own? I like really kinky undies. I believe less is more, so what I wear in the bedroom probably isn't something you'd wear out! **Has a bloke ever bought you lingerie?** Yeah, one guy bought me loads of expensive lingerie

but I prefer to get my own because I know what I like. **Why can't blokes get it right when it comes to buying their other half lingerie?** They tend to buy stuff that's the correct size, then it pinches. My advice to men is to buy the bottoms a size too big and the bra one size too small. That way, it's comfortable and still makes your lady's boobs look bigger.

**What's the sexiest lingerie you've ever worn for someone?** I don't think you can beat a high heels and silky dressing gown combo. Then, when your man steps through the door, drop it to the floor and give them a real treat! **What one ambition do you have that you've yet to achieve?** To get a six-pack. I've never been able to get one.

**Do you have any weird phobias?** Yes, I hate Postman Pat. It's that big nose. It makes me feel weird. When I think about it, it disturbs me. **Where's the weirdest place you've been recognised?** In a nightclub in Las Vegas. An American guy spotted me but I pretended it wasn't me because I was drunk and didn't want to shame myself!

"Must you have  
James Blunt as your  
alarm every day?"

Thanks, JJC! Finally, what's  
your ideal night out? I like  
starting early with a mate, so  
I can get used to the madness  
of the night and not jump  
in at the deep end. Then, if  
we're in a bar, I might nick

**Nuts** Rhian, Kelly, Holly and Lindsey

A full-page photograph of Rhian Sugden sitting on a patterned sofa. She has long, wavy blonde hair and is wearing a pink lace-trimmed bra and matching pink lace-trimmed underwear. She is looking directly at the camera with a slight smile. In the foreground, the out-of-focus arms and hands of several people are visible, framing her. The background is a plain, light-colored wall.

*"I've gone out just wearing stockings, suspenders and a bra!"*

The bouncers were adamant – no nudity, no entry

## Rhian SUGDEN

**H**i Rhian! How do you pronounce your name? It's easy – just say it

like you're saying Ian but with an "R" in front. Thanks! Today's shoot is all about wearing posh, classy and sexy lingerie. What's the most you've ever spent on undies? Probably about £50 on a pair of knickers from Agent Provocateur, but they were nice. You should have seen me – I looked great in them!

Bet you did! If you spend that much on pants, are you not worried about ripping them in the bedroom? I'd just have to make sure that I took them off myself. I wouldn't waste that much on pants and then not let anyone see them! What makes a good bra? It has to fit, lift you up, and look good of course. La Senza or Ann Summers are best.

What's the least you've ever worn on a night out? I've actually just worn stockings, suspenders and a bra to go to a nightclub called Swanky's. It was a porn party theme! Thanks, Rhian! Finally, which of the girls here today has the best boobs? I'm going to say Lindsey Strutt, because they're massive! I think they're bigger than my head!

"Why won't you  
use the table  
tennis bat I made  
for you?"

## Lindsey STRUTT

**H**i Lindsey! Of all the lingerie you've seen today, what would you most like to take

home? To be honest, the dressing gown I've got on right now! I love my sexy underwear but get me in a pair of pyjamas with a dressing gown and I'll be happy all day! If you're going to get lucky with your special fella, is there any particular set of underwear you wear? No, because I'm more of a spontaneous girl, so I don't plan ahead, it just happens.

**What's the smallest outfit you've ever gone out in?** I'm a curvy girl, so I try to keep things in! A nice dress that covers up a lot is best because you can imagine what's under there!

**What kind of underwear do you wear to make yourself feel sexy?** Matching! I feel horrific if I know my knickers don't match my bra.

**What sort of underwear do you own the most of?** Mainly thongs, because they go with anything, and you don't have to worry about your knicker-line.

**Thanks, Lindsey! Finally, who would you most like to do a sexy shoot with?** This is hard, because quite a few of my friends are in *Nuts* as well, so I'd probably say one of them because it's just easier when you get along with the model. Emma Frain's fun to work with, Rhian's a good friend, Peta has massive boobs... basically, all the *Nuts* babes! ➡

Her Elvis impression was coming along nicely

## Kelly ANDREWS

**H**i Kelly! What's your fave type of sexy lingerie? I like silky or lacy things, like those

little suspender belts with a little bit of a frill around them – black or pink trim – so it's girly but still sexy. Stockings too!

**Do you own lots of sexy lingerie?**

I've got so many knickers and so many bras that I can't even count them! I've got this big drawer at home and if I want to impress a lad, I have a root and decide how I feel on the night. I like to vary it.

**Have you ever dressed up in a saucy outfit for a bloke?** Well, a lot of the girls in Liverpool go out in fancy dress, so from all the birthday nights out and stuff, I've probably got half of Smiffy's joke shop in my wardrobe!

**Have you ever been asked out by someone famous?** Not yet! All my friends are really gorgeous and everyone always thinks they're models, though.

**Do you ever go commando?** I've done it a couple of times, but I try not to do it when I'm wearing a dress because imagine if you're walking up the stairs or fall over!

**What's the sexiest thing you've done for a man?** A striptease.

I was going out with him, though, I don't just do it for random boys!

**Thanks, Kelly! Finally, which sexy babe would you most like to share a sexy *Nuts* photo shoot with?** Carmen Electra. She's just gorgeous. She oozes sex!

"You definitely can't see through my sleeping bag, right?"

*"I like a bra that gives a good cleavage!"*

## Holly PEERS

**H**i Holly! What's the most you've spent on underwear? With stockings

and everything to go with it, I think the set probably came to about £80!

**Blimey! Don't you worry they'll get ripped in the heat of the moment?**

I've never had anything expensive ruined, but it's

not like I wear them day-to-day. The thing is, I can only wear it once – if I wear it again, the bloke will be bored of it!

**What kind of underwear do you own most of?** French knickers. I own lots and lots

of French knickers, probably 80 pairs. It's embarrassing!

**What makes a good bra?** Lift, to give you a good cleavage. I like them when they've got a plunge at the front so you can see more of the boobs!

**Thanks, Holly! Finally, what advice would you give a man**

**buying sexy lingerie for his other half?** Ask the assistant for help. She's going to have a better idea than you. Take note of what your girl already wears and what flatters her and just ask! My ex-boyfriend used to ask the shop assistant for anything – underwear, vibrators, the lot! He used to take his mates as well, so they knew everything I had! ■

## The secret to perfect

Penalty expert and Sky Sports bloke Matt Le Tissier on how to master the

**H**i Le Tiss! You scored an amazing 47 out of 48 penalties in your career. What was your secret?

Most importantly, I looked forward to taking them. Positive mental attitude was a big thing for me. After that, it was down to technique and I could side-foot a ball pretty hard while being fairly accurate. Most of the time, it worked out pretty well!

We think Fabio Capello should fly you to South Africa to be England's penalty guru. Have you got the call yet? Ha-ha! No, I haven't. I did make the suggestion tongue-in-cheek in a radio interview, but nothing came of it. But if Capello rang and the players were open to that kind of thing, I'd be more than happy to go over there and give my opinion.

Why do you think England have such a bad record with penalty shootouts? It's a psychological thing, really. England got off to a bad start with them when they were first introduced and have never quite recovered from that. Now, every time there's a major

**"We need a bit of luck at the right time"** How do you rate England's chances in the World Cup? I'd be surprised if we didn't at least get to the semis. From there,

competition, everyone brings up the bad record we've got and it just snowballs and gets into people's heads a little bit. For me, the players just have to adopt a positive attitude to it all and do their best to forget about what's gone on in the past.

a bit of luck at the right time and we can go on and win it. **There doesn't seem to be as much hype this time around – will that benefit the players?** Yes. Expectation levels are lower this time and I think Capello has done well to manage that. He seems to have turned England into a good team again. **What do you think he's changed?** He's changed the

mentality of the whole group. There's better discipline around the place and he seems to have the respect of the players 100 per cent. I'm not sure the previous manager had that, and that's why we didn't qualify for the European Championships. **Thanks, Matt! Finally, as a former Southampton player, would you say Lucy Pinder is the sexiest Saints fan ever?**

Oh, without a shadow of a doubt – apart from my wife, of course!

### How would England's stars fare in a shootout?

We ask footy psychology expert Richard Nugent!

#### LAMPARD

"Mentally, Frank is one of the strongest players around. It won't bother him at all that he's missed his last two."

**Would score!**

#### TERRY

"I wouldn't have JT as one of the first five takers. His Champions League final miss will still be on his mind."

**Could miss!**

#### GERRARD

"Gerrard will relish his new captaincy, and Benitez leaving Liverpool will give him a new lease of life."

#### ROONEY

"Wayne is strong mentally, and the only risk to him scoring is if he's tired himself out earlier in the campaign."

## England can win cup for Rio and Beckham!

**E**very World Cup campaign has its setbacks, and this year's has been no exception for England. Ever since Rio Ferdinand crumpled to the ground under an Emile Heskey challenge on the first day of training, we've all been holding our breath, hoping Rio will be the last player to miss out.

Of course, David Beckham has known for some time that he can't play, but he's still with the

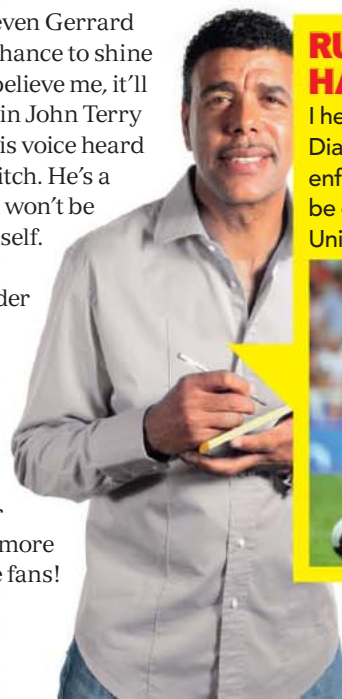

**"The boys seem to have a siege mentality now"**

rest of the team, doing his bit to help bring the trophy home. I'm surprised David wanted to be so close to the action without being able to take part, but full credit to him for giving up his time to help out where he can.

The boys took a big knock in spirit when Rio was ruled out but they seem to have a siege mentality now, which was only increased when Fabio Capello shouted at photographers for trying to take pictures of the players through their hotel windows. I think the press will give Fabio a pass on that one, but if results don't go England's way, that could change very quickly.

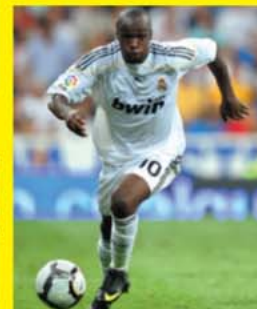

Of course, Steven Gerrard now has a real chance to shine as skipper but, believe me, it'll be former captain John Terry who's making his voice heard loudest on the pitch. He's a born leader and won't be able to help himself.

Now their campaign is under way, England can forget their dodgy form going into the tournament and do their best to win it for Rio, Becks and, more importantly, the fans!

On my first day in South Africa, I went to the townships to coach some local kids, and it was an experience I'll never forget. Only one of the kids had a pair of shoes to wear, yet they were some of the most hopeful children I've ever met. On pitches strewn with rubbish, they showed me how much they loved the game, and I couldn't help but give them what I had in my pockets. I just wish I could've done more for them.

"To me, Shaun!"

Hi Kammy!

Do you reckon Rafa Benitez will be a hit for Inter Milan? Or will he be as bad as he was at Liverpool?

He's got no chance over there. He'll be a huge flop because he can't follow Jose Mourinho's treble, and he's just gone there for another big pay day after disgracefully taking so much from Liverpool.

STORIES!**

### CONFESSION OF THE WEEK!

#### 'He bent me over the sun lounger'

I recently went on holiday to Spain, staying in a villa with my boyfriend. One day by the pool, I decided to sunbathe naked. As I rubbed cream into my breasts, I noticed that my man had stopped swimming and now had a big grin on his face. Soon, he was out of the pool and parting my legs so he could manoeuvre his tongue around my most intimate areas. He then bent me over the sun lounger and slid himself inside me – and as there was no one around I could scream the place down with joy!

*Jennifer, Tyne and Wear*

#### 'He had me on the car bonnet'

I was out with my friends recently and I ran into one of my sister's pals who I'd always thought was really hot. We were dancing and things started to get steamy so he asked me back to his flat. Walking

back, I was feeling really horny, so I grabbed him and kissed him while slipping a hand into his trousers. My expert touch soon had him hard, and the risk of getting caught really excited us. He pushed me onto a car bonnet, lifted up my dress and slid my thong to the side. As he slipped

on a rubber and entered me with his huge hard-on, I started to moan. It was only a couple of minutes before I had the most intense orgasm. As I came to my climax, the car alarm went off, so we quickly fixed ourselves up and ran down the street laughing. The fun continued when we got back to his apartment!

*Lynda, Northamptonshire*

#### 'He expertly pleased me'

In a packed dance club at the weekend, I was making a lot of flirty eye contact with this hot guy. I made my way to the bar to get a drink. It must've been four-deep at the bar and the chap was right behind me as we moved forwards in the queue. He said "Hi!" into my ear and then started to stroke his hands down my spine and over my bum. I pressed back to let him know I was happy for him to continue. His hands wandered around up and down my body as we were pushed around in the heavy crowd. As I reached the bar to order my drink, he put his hand up my skirt and started to tease my clit through my knickers. The barman came to take my order and as I spoke, the guy thrust two fingers deep inside me. He expertly brought me to a climax just as my Bacardi Breezer arrived. A second later, he reached over my shoulder, took a swig from my drink and walked away, giving me a cheeky wink. This fella knew how to turn a woman on. What a thrill!

*Jo, Yorkshire*

#### 'I gave head in the takeaway'

During the snowstorms before Christmas, my boyfriend and I decided to warm up with a Chinese from the local takeaway. We had to walk up there as no one was delivering and it looked as if the boss wasn't expecting any business. After we ordered, the owner went into the back and didn't return for several minutes, as he was obviously doing the cooking himself. With it being so freezing outside, the windows were all steamed up. My fella's always ready for rudeness and suggested we should quickly have a bit of sexy fun. Actually getting down to some rutting was too risky, so I decided to take matters in hand – or should that be mouth! I got on my knees and began to pleasure him next to the counter, just where the telly was blaring out Cantonese TV. It didn't take him long to climax, which was lucky because just after he'd zipped up, the owner came back out with our food. Judging by the way he looked suspiciously at us, he must've had an idea what we'd been up to, so we quickly paid and left, embarrassed but grinning at our naughty fun!

*Katherine, Bristol*

## GAMES!

Despite its name, this game is actually a follow-up to Ashes 2009

## INTERNATIONAL CRICKET 2010

PS3, XBOX 360

While you wait for the Ashes to get under way, you can recreate England's fine win over, erm, Bangladesh, with the best cricket

game on any console (it's actually the only new cricket game on any console, but hey!). The batting is now miles better than previous versions of the game and there are also improved camera options to follow the action. Howzat! ★★★★★

## METAL GEAR SOLID: PEACE WALKER

PSP

Sneaky ops return to the PSP in this prequel, which tells the story of Snake's dad. Four-player online co-op is now added. ★★★★★

## JEWEL MASTER: CRADLE OF EGYPT

Puzzler that takes your classic match-three-jewel-colours dynamic and adds time bonuses and special items to the mix. And with 100 levels, this will certainly keep you busy. ★★★

## DVDS/BLU-RAY!

Luther's theme music is Massive Attack song Paradise Circus

## LUTHER

CERT 12

Crime thrillers don't come much more polished than this sterling effort from the BBC. Luther (The Wire's Idris Elba, above) is a

troubled detective who uses questionable methods to capture criminals, while living on the edge of himself. With serial cop-killers, blood-sucking psychos and an almighty finale, this deserves a place on your DVD shelf. ★★★★★

## THE OFFICE: SEASON FOUR

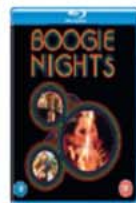

CERT 12

Steve Carell stars in this US version of The Office that's already made it to series six. That's four more than ours managed! ★★★★★

## BOOGIE NIGHTS

## TODAY'S MUST-SEES

"Guess what slush puppy I had!"

## SAMBA STARS!

## Brazil vs Ivory Coast

BBC1, 7pm

**SPORT**

This Group G match sees five-time winners Brazil take on Ivory Coast in a game that could decide who'll make it out of the Group of Death. But if it's all-out attack you're after, you may be disappointed. Brazil coach Dunga has curtailed some of his side's flair (the spoilsport!), while the Africans are managed by Sven. Not to worry, though – there's always the guarantee of hot Brazilian girls in the crowd if the footy's not great! ★★★★★

"Darn back-scratcher's totally useless"

## US Open Golf

Sky Sports 1/HD, 7.30pm

**SPORT**

It's a bit difficult to be too fussed about any other sporting event right now, but once the day's football's out of the way, a nice bit of ball-thumping might calm us down a bit. So we're off to Pebble Beach, California, for just that! ★★★★★

## Family Guy

BBC3, 10pm

**COMEDY**

Another top double-bill of the funniest cartoon around, starting with Stewie dressing up in drag to audition for his favourite show. Then, Lois agrees to be a surrogate mother for a friend. Brilliant, as always. ★★★★★

"What trapdo...?"

## Alan Carr: Chatty Man

Channel 4, 10pm

**CHAT**

Alan Carr kicks off a new series of comedy and chat with Russell Brand and Pamela Anderson, and music from Plan B. Some stars from Glee are on, too, but we don't really care! ★★★★★

## CLOONEY'S BACK!

### Up In The Air

Sky Box Office/HD, from 6am

#### FILM

George Clooney may be one of the smoothest men in Hollywood but as Ryan Bingham, he faces the unenviable task of laying people off for a living. Luckily, old Ryan isn't exactly big on sentimentality and actually quite enjoys jetting about to give these hapless workers the push. That is, until his boss decides his job could be done just as easily over the web, and Ryan is the one staring down the barrel. A top-notch "dramedy" with an old-school Hollywood feel. ★★★★★

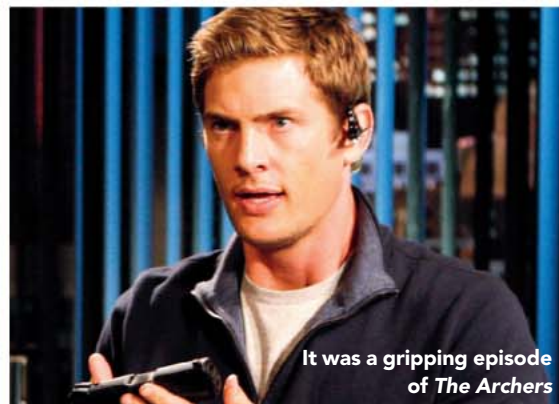

He always took the time to shake hands with his fans

## Wimbledon 2010

## Portugal vs North Korea

BBC1, 12.15pm

Portugal may need a big win against the unfancied North Koreans to edge ahead in the race to qualify. Trouble is, aside from Cristiano Ronaldo, they struggle to score goals. Shame! ★★★★★

## TODAY'S MUST-SEES

"Excuse me, sir, got some change for a cup of tea?"

## ASHES TEASER!

## England vs Australia

Sky Sports 1/HD, 2pm

**SPORT** The hype starts here! England travel to Oz for the Ashes this winter but before that, they face the big galahs in a five-game one-day series, starting here in Southampton. Andrew Strauss' men may have stuffed Australia in recent Tests but they're still iffy in the 50-over format. Still, if they get off to a good start, we might yet get the magic that saw them win the Twenty20 World Cup a few weeks ago. ★★★★★

"Put me down, Crouchy!"

## Greece vs Argentina

BBC1, 7pm

**SPORT** Greece may have defied expectations to win Euro 2004, but with Lionel Messi and Inter goal ace Diego Milito in Argentina's ranks, expect to see Maradona smiling at the end. ★★★★★

"Which part of 'lesbian night' didn't you understand?"

## V Syfy, 10pm

**DRAMA** The first series of another drama that gives aliens a bad name ("visitors" land on earth and turn out to be evil) wraps up with Erica trying to destroy the eggs that are about to hatch and form Anna's army of warriors. Yikes! ★★★★★

"He choked on his Frosties"

## Inside Nature's Giants: The Big Cats

Channel 4, 9pm

**DOCU** Tonight, man gets one over on beast as scientists rummage around inside a lion and a tiger. Definitely not for the squeamish! ★★★★★

It was just another Tuesday night at Elton's

## Spartacus: Blood And Sand

Bravo, 10pm

**DRAMA** Spartacus has to team up with his sworn enemy, Crixus. This is a bit like the UFC with swords. And boobs – lots of them! ★★★★★

## TODAY'S MUST-SEES

"Ugh, get it away from me!"

## Slovenia vs England

BBC1, 2.15pm

**SPORT** Is there no end to the great sport on offer this week? This time, it's England's final Group C match! Fabio's men will know anything other than a win would be a real shock. However, the Slovenians ran them close in last September's friendly, with only a disputed penalty helping England grab an unconvincing 2-1 win. USA vs Algeria is available on the red button thingy for digital viewers, by the way. ★★★★★

## Brothers Sky Box Office/HD, From 6.30am

**FILM** Tense drama starring Tobey Maguire as Sam, a Marine held hostage in Afghanistan whose brother Tommy (Jake Gyllenhal), assuming his sibling to be dead, bonds with his wife - if you know what we mean. But then Sam returns home... ★★★★★

## Sons Of Anarchy Bravo, 10pm

**DRAMA** More from those nice, balanced chaps of the renegade motorcycle club. Samcro's adult film business becomes a problem, but, on the up side, it gives Clay the chance to further their gun-running operation! Every cloud... ★★★★★

## Justified Five USA, 10pm

**DRAMA** More crimefighting with a Western twist, as Marshall Raylan Givens and his rather impressive Stetson get caught in a tense hostage negotiation. Meanwhile, the Crowder clan are causing problems again. Pesky hillbillies! ★★★
